Date	Topic	Description
10/11/19 (Dover – full day)	Tier 3: Functional Behavior Assessment (FBA)/Behavior Intervention Plan (BIP) Workshop	This workshop is for new educators or those who want to learn more about the process of using a function based approach to develop behavioral intervention plans. Participants will review principles of behavior and the role of function based thinking across all tiers of support. The steps for conducting an FBA will be reviewed along with the critical components of function based BIPs. Participants will explore how to identify students that need an FBA/BIP, and the role of the problem solving team in the process.
10/24/19	Tier 3: Prevent-Teach-Reinforce (PTR) Training	This workshop is for those who facilitate Tier 3 interventions with school-based teams (e.g. school psychologists, behavior interventionists) or those looking to gain a better understanding of the PTR process (PBS leadership, administrators). Prevent-Teach-Reinforce (PTR) is a Tier 3 team based (FBA/BIP) process for developing individualized positive behavior intervention plans. Participants will learn the 5 steps of the process and how to facilitate with teams in their school.
10/29/19	Tier 1: School-wide PBS Framework Overview	This workshop is open to new team members joining existing PBS school teams. The content presented provides an in-depth overview of the School-wide PBS framework to get new team members informed regarding SWPBS.
11/14/19 – Part 1 (Newark – evening) & 11/21/19 – Part 2 (Newark – evening)	Tier 3: Functional Behavior Assessment (FBA)/Behavior Intervention Plan (BIP) Workshop	This workshop is for new educators or those who want to learn more about the process of using a function based approach to develop behavioral intervention plans. Participants will review principles of behavior and the role of function based thinking across all tiers of support. The steps for conducting an FBA will be reviewed along with the critical components of function based BIPs. Participants will explore how to identify students that need an FBA/BIP, and the role of the problem solving team in the process.
12/10/19	Tier 2: Targeted PBS New Team Training	This workshop is for problem-solving team members to extend current Tier 2 programming for students by establishing a solid system. Content includes an in-depth overview of the recommended features for effective Tier 2 behavior teams, programming, and interventions. Information regarding how to identify and secure appropriate Tier 2 interventions that match demonstrated student needs will also be shared.
1/10/20	Tier 1: School-wide PBS - New Team Training - Part 2	For new School-wide PBS Teams, this workshop focuses on systems to support correction of problem behaviors and developing self-discipline as part of the Tier 1 PBS framework. Participants will explore components of their behavior tracking system, discuss how disciplinary encounters can routinely be used as learning opportunities, and explore avenues, such as social-emotional learning curriculum and student involvement, to supporting the development of self-discipline.
1/22/20	Tier 2 & 3: Tier 2/3 School System	This workshop is for problem solving teams working to develop systems that support students in need of advanced interventions. Tier 2 linkages will be explored and an overview of Tier 3 system features will be provided to include teaming, resources, support plans and evaluation. Teams will leave with tools to evaluate their current practices to support in action planning.
2/12/20	Tier 1: Secondary Forum	This is a collaborative meeting of secondary schools implementing PBS systems and practices at various levels. Members of secondary school PBS teams meet together to share resources and ideas to support implementation in middle and high school settings.
3/25/20	Tier 2: Team Networking	This workshop is for members of Tier 2 targeted teams and focuses on reviewing Tier 2 concepts, networking and problem-solving with other schools, and provides opportunities to share successes, challenges, and questions, as well as planning time with your team.
